Patents

Patents **1 - 10** on **partitioned data processing system with operating system**. (0.03 seconds)

Logical resource partitioning of a **data processing system**
US Pat. 4843541 - Filed Jul 29, 1987 - International Business Machines Corporation
... of **data** from MS when the **operating system** needs to free space in MS. ...
used to assign the **partitioned** set of **system** resources to a programming **system**, ...

Method for the dynamic replication of **data** under distributed **system** control to control ...
US Pat. 4432057 - Filed Nov 27, 1981 - International Business Machines Corporation
Each node, in such a **system** s{atic r lication In the **partitioned data** approach there.
... Each location has a **data** base **operating system** and its information ...

Disk **operating system** backup and recovery **system**
US Pat. 5469573 - Filed Feb 26, 1993 - Sytron Corporation
In general, in one aspect, this invention features a method for recovering or
loading a desired **operating system** onto a storage device of a **data processing** ...

Method and apparatus for coupling **data processing** systems
US Pat. 5317739 - Filed Mar 30, 1992 - International Business Machines Corp.
More particularly, it relates to **data processing** systems **operating** independently
... **system** (executing on different processors, or oh a common **partitioned** ...

Data processing method to create virtual disks from non-contiguous groups of logically ...
US Pat. 5129088 - Filed Jul 3, 1990 - International Business Machines Corporation
Since the IBM PC RT is capable of running both the AIX **operating system** and ...
the disk drives of a **data processing system** which avoids the above described ...

Method of inter-process communication in a distributed **data processing system**
US Pat. 4694396 - Filed May 6, 1985 - Computer X, Inc.
Thus there is an urgent need to provide an **operating system** for such a distributed
data processing system, which **operating system** will easily accommodate ...

System for integrating telephony **data** with **data processing** systems
US Pat. 5097528 - Filed Feb 25, 1991 - International Business Machines Corporation
The fifth step is to multi-tasking **operating system** 124 which can be the compile
... hereinaf- EXAMPLE OF A CALL **PROCESSING** 15 ter as a 3270-type terminal. ...

Single **system** image uniquely defining an environment for each user in a **data processing system**
US Pat. 5001628 - Filed Sep 1, 1989 - International Business Machines Corporation
1, show- 35 ing a distributed **data processing system** according to the ...
contain ordinary **data**, or other file types supported by UNIX derivative **operating** ...

Multi-tiered indexing method for **partitioned data**
US Pat. 5551027 - Filed Sep 11, 1995 - International Business Machines Corporation
For **partitioned data**, an index called a Local Index may be maintained separately

... Over a **system** with multiple nodes, precious **processing** resources may be ...

Data base backup and recovery **system** and method
US Pat. 5404508 - Filed Dec 3, 1992 - Unisys Corporation
25 tioned into a "stand-alone" **data processing system**. Transaction **processing**
can resume once **processing** of When a **partitioned** configuration is made, ...

Patents

Patents **71 - 80** on **partitioned data processing system with operating system**. (**0.14** seconds)

Method and means for storing and accessing information in a shared access multiprogrammed **data** ...
US Pat. 4300192 - Filed Nov 14, 1978 - Honeywell Information Systems Inc.
1 provides immedi- 15 ate and simultaneous **data processing** services for a plurality
... The **operating system**, for example, may occupy one partition and this ...

Scalable multimedia network
US Pat. 5555244 - Filed Jun 30, 1994 - Integrated Network Corporation
With a database server, most database **processing** is done by 55 processes ...
advantage of the features of the hardware environment and the **operating system**. ...

Relational database query optimization to perform query evaluation plan, pruning based on the ...
US Pat. 6092062 - Filed Jun 30, 1997 - International Business Machines Corporation
5 is a representation of a computer **processing system** at a node of the FIG. ...
In either case, **data** files of the RDBMS are **partitioned** across the DASD ...

Method and means for sharing I/O resources by a plurality of **operating** systems
US Pat. 5414851 - Filed Jun 15, 1992 - International Business Machines Corporation
METHOD AND MEANS FOR SHARING I/O RESOURCES BY A PLURALITY OF **OPERATING** ...
The Configuration Of A Logically **Partitioned Data Processing System**" (Docket ...

Distributed file access structure lock
US Pat. 5175852 - Filed Oct 4, 1989 - International Business Machines Corporation
... **system** as performed by the **operating system**; FIG. 13 is a block diagram showing
in more detail a 10 portion of the distributed **data processing system** ...

Ally mechanism for interconnecting non-distributed computing environment (DCE) and DCE systems ...
US Pat. 5497463 - Filed Sep 25, 1992 - Bull HN Information Systems Inc.
Field of Use This invention relates to **data processing** systems and JQ more
particularly to ... the UNIX based **operating system** in another environment. ...

Virtual single machine with message-like hardware interrupts and processor exceptions
US Pat. 4835685 - Filed May 6, 1985 - Computer X, Inc.
distributed **data processing** systems comprise a large VIRTUAL SINGLE MACHINE ...
and, in particular, to an **operating system** which A process ^ one context ...

Apparatus for manipulating documents in a **data processing system** utilizing reduced images of ...
US Pat. 5060135 - Filed Nov 1, 1988 - Wang Laboratories, Inc.
The icons of selected accessories appear in the In Box and are subsequently
removed from the In Box and arranged on the **system** desk 36 by the user **operating** ...

Multiple-microcomputer **processing**
US Pat. 4414624 - Filed Nov 19, 1980 - The United States of America as represented by the Secretary of the Navy
It provides a capability of any microcom- communication of **data** from one processor to

... In addition, there is aa **processing system** employing the concept ...

Real-time **data processing system**
US Pat. 5072373 - Filed Jan 17, 1991 - Encore Computer U.S., Inc.
This slows down the **operating** speed of the **system**. In US Pat. No. **...** a **data**
store in respect of each node, each **data** store being **partitioned** into sections **...**

"with" is a very common word and was not included in your search. [details]

Patents   Patents **81 - 90** on **partitioned data processing system with operating system**. (0.09 seconds)

Method for operating and displaying status of a computer system
US Pat. 5371848 - Filed Apr 22, 1993 - International Business Machines Corporation
A process for **operating** a **data processing** com- 60 puter from a support ...
an initialization program for said **data processing** computer in a **system** mode, ...

Data processing system and method for providing notification in a central processor of state ...
US Pat. 5390328 - Filed Mar 30, 1992 - International Business Machines Corporation
... each **system** image of a logically **partitioned** 55 **system** (eg, ibm's PR/SM). ...
the **operating system** at the CPC 101-104 containing the list-notification ...

Task scheduler for a fault tolerant multiple node processing system
US Pat. 4805107 - Filed Apr 15, 1987 - Allied-Signal Inc.
35 shows the **data** format of the Scheduler ble of reallocating the task when the
number of active RAM; nodes in the **system** changes. FIG. ...

Data processing method to provide a generalized link from a reference point in an on-line book ...
US Pat. 5367621 - Filed Sep 6, 1991 - International Business Machines Corporation
4, or alternately in the memory of a host processor in a host **data processing**
system. The program 400 of FIG. 6 begins with step 402 which loads the user's ...

Parallel partitioned serial neighborhood processors
US Pat. 4174514 - Filed Jun 26, 1978 - Environmental Research Institute of Michigan
Assuming a **data** matrix N elements wide, the first N/2 columns of the matrix will
... to form a parallel **partitioned** serial neighborhood **processing system**. ...

Method and system for performing virtual address range mapping in a virtual storage data ...
US Pat. 5095420 - Filed Nov 21, 1988 - International Business Machines
... the virtual address can ^e **partitioned** into a segment number of 11 bits 902,
... **data** set on external storage to be accessed; b) the **operating system** ...

Parallel processor system for processing natural concurrencies and method therefor
US Pat. 5021945 - Filed Jun 26, 1989 - MCC Development, Ltd.
In one embodiment of the invention, Arvind **data**-flow machine, ... cases this
processing occurs simultaneously; in other on a **system** containing a plurality ...

Input/output control technique utilizing multilevel memory structure for processor and I/O ...
US Pat. 4783730 - Filed Sep 19, 1986 - Datapoint Corporation
Each of these tasks, and the **operating system** itself, ... of the **system** and
generally involves inefficiency of **data processing** and **data** throughput. ...

Shared storage controller for dual copy shared data
US Pat. 5398331 - Filed Jul 8, 1992 - International Business Machines Corporation
One kind of dual copy function has been multisystem **operating system**. ...

Logically **Partitioned Data Processing System.**" A sys- 60 To achieve dual copy ...

Process creation and termination monitors for use in a distributed message-based **operating system**
US Pat. 5060150 - Filed Jan 31, 1991 - Motorola, Inc.
000626 (now abandoned) TECHNICAL FIELD This invention relates generally to digital
data processing, and, in particular, to an **operating system** in which a ...
